REQUEST FOR CORRECTED FILING RECEIPT

Assistant Commissioner for Patents  
Office of Initial Patent Examination  
Customer Service Center  
Washington, D.C. 20231

COPY OF PAPERS  
ORIGINALLY FILED

Sir:

Upon review of the Filing Receipt received from the U.S. Patent and Trademark Office in connection with the above-identified application, the following error was noted.

Specifically, at the time Applicants filed the Response to Notice to File Missing Parts, formal drawings accompanied said Response. The formal drawings included 5 sheets of drawings. It is respectfully requested that the Filing Receipt be corrected to reflect the number of formal drawings filed, which is "5". As evidence of said filing, a copy of the return postcard (Exhibit A), with a U.S. Patent and Trademark Office date stamp indicating that 5 sheets of formal drawings were filed and received by the U.S. Patent and Trademark Office, is included herewith. A copy of the Filing Receipt with this correction marked in red is also enclosed. Applicants respectfully request a corrected Filing Receipt be issued.

**Request for Corrected Filing Receipt**

UPDATED FILING RECEIPT

\*OC000000006779271\*

Date Mailed: 09/24/2001

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
